

## While our office doors closed, our virtual doors are open!

We are continuing to connect participants and graduates to resources and supportive services. Just as our workshop has gone virtual, so have our volunteer opportunities! We can also host corporate and other groups for done in a day projects.

### Virtual volunteer opportunities include:

Mock interviewing, social media ambassadors, tech buddies, step up cheerleaders, outreach ambassadors, resume developers, YRC case manager assistant, and civic engagement & advocacy volunteers.

If you're interested in learning more about Towards Employment's volunteer opportunities, please contact Jenn Angelo at [jangelo@towardsemployment.org](mailto:jangelo@towardsemployment.org) or visit [towardsemployment.org](http://towardsemployment.org).

**Towards Employment**

1255 Euclid Ave., Suite 300 Cleveland, OH 44115

## Love research?

As we continue to connect TE participants and alumni to additional supports and services, **research library volunteers** will help us build our virtual resource library by conducting internet searches.

## Lend interviewing & resume development skills!

Mock interviews and a polished resume are critical and essential tools in preparing participants for the job search process. Guidelines & training are provided for **mock interviewers**, while templates are provided for **resume developers**.

## Advocate for TE participants!

Our **civic engagement and advocacy** volunteers will support and spread awareness of TE's policy agenda and focus with the help policy action items and additional toolkits.

## Spread the word about TE!

Volunteers help spread awareness about TE programs and services by sharing information on social media as a **social media ambassador** or assisting with targeted grassroots recruitment strategies as a **TE outreach ambassador**.

## Assist with the Young Adult Resource Center!

**YRC case manager assistant** volunteers will work with our TE staff at the YRC to provide an extra layer of wrap around supports through a variety of engagement touchpoints.

## Provide tech support as a tech buddy!

As our workshops move online, some participants need a little extra help troubleshooting. As a **tech buddy**, you'll provide digital mentorship to guide them towards success.

## Cheer on participants as a Step Up cheerleader!

Write notes for students who could use a little something to keep their spirits up as they work through virtual workshop. And attend virtual Step Up graduation to celebrate as a **step up cheerleader**.

*Don't have as much time to dedicate? We can host corporate and other groups for done in a day projects.*
